

Details of Facilities being provided by Mother's Public School

Mother's Public School provides an environment that may be defined as a measure of the quality and quantity of cognitive, emotional and social support that has been available to the students during their school life in terms of teacher- pupil interactions. ... Students want the schools to be in places where they can enjoy learning in different methods.

Student Counselling

The school offers the facility of a counseling centre that is designed to facilitate students achievement, improve their behaviour and attendance, and help them develop socially. Mental health professionals with degrees or beyond, school counselors both provide counseling and serve an educational role in and around school. Mother's Public School has full-time counsellors on staff in order to support students who are experiencing personal or academic challenges, help students choose careers and plan for college, and intervene when students face behavioural, physical, or mental health challenges.

Smart Classes

At Mother's Public School, all our classrooms are equipped with smart class connection, display boards, aesthetic furnishing, projectors and lockers. In addition, a high-speed broadband connection facilitates in easy access to any required information. The classes are also connected with the Knowledge Center to make things streamlined.

IT Education

Computer **education in schools** plays an **important** role in students' career development. Computer with the internet is the most powerful device that students can use to learn new skills and a more advanced version of current lessons

Health & Physical Education

Health is a dynamic process. Mother's Public School, Bareilly provide the facility in which Students participate in regular physical activities, improve their health and the state of well-being. Participation of all children in free play, informal and formal games, yoga and sports activities is essential for their physical and psycho-social development.

Cultural Activities

Encouraging students to participate in cultural activities is the most effective way to inculcate personality-related skills. Mother's Public School provides the activities like dancing, singing, sports, etc. Unfortunately, many parents and students find these activities as total waste of time and energy.

Medical facilities

” Health is Wealth”.

The School health programme enables children to be healthy. A free dental and eye check-up was organised at Mother's Public School, Bareilly. A team of senior specialist carried out a comprehensive dental and eye check-up on students of kindergarten, Grade 1 to Grade 9. On completion of the medical check-up , each student was given a patient card, a report summary of the diagnosed problem and recommended for further treatment if required.

Transport

The need for safe passage of each child to school and back home is of paramount importance to us. To ensure safe travel the school has its own fleet of outsourced school buses designed as per standards and manned by trained drivers and personnel sensitized to the needs of small children. The Transport Service (optional) is operated by the school and a separate transport fee is charged for this. Mobile phones have been provided in each bus that ensures efficiency in terms of service and better communication in case of emergencies. All staff on the bus is well trained in first aid and emergency management.
